Pakistan Model Bank

Accelerate Core Transformation in Pakistan with
a Pre-Packaged Model Bank

Why Pakistan Model Bank?

Purpose-Built for Pakistan

Incorporates SBP regulations, tax rules, market practices, local clearings, and core banking standards.

Regulatory & Innovation Alignment

Enables banks to respond quickly to evolving compliance demands while introducing market-relevant innovation.

Ready-to-Use Functionalities

Pre-configured modules that reduce the need for custom development and accelerate deployment timelines.

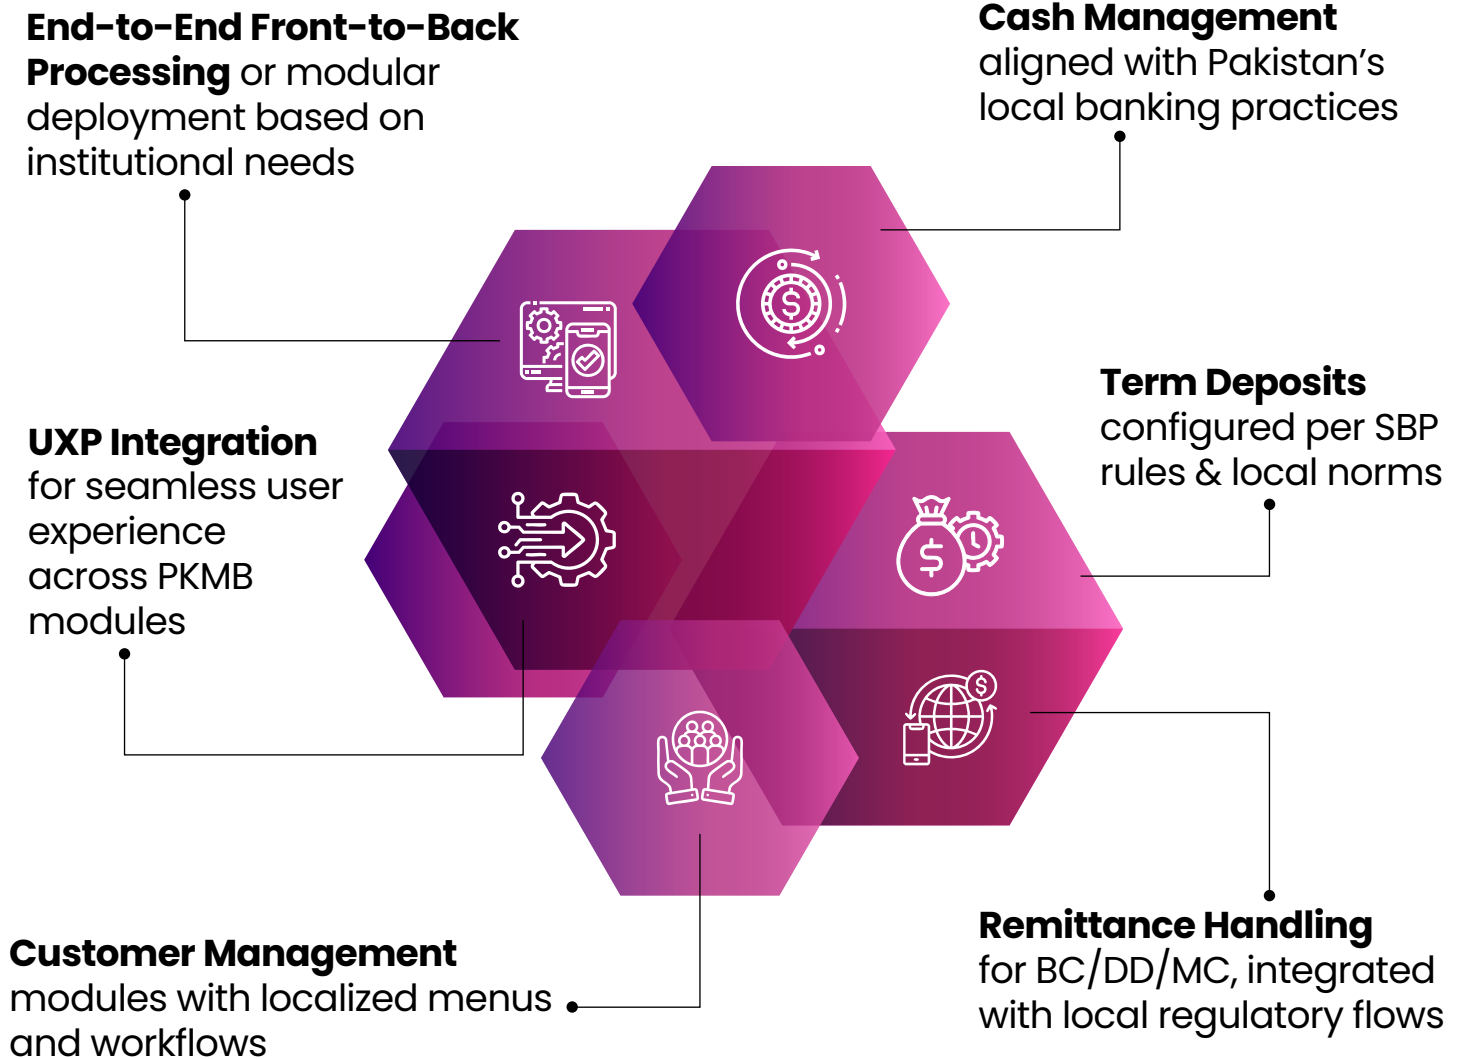

Community-Led Enhancements

Developed and refined with insights from customer roundtables focused on Pakistan's changing regulatory landscape.

Product Features

Business Benefits

Faster Time to Market

Implementation timelines as short as **3–6 months**, drastically reducing time-to-market.

Lower Risk, Lower Cost

Proven, repeatable deployment model minimizes risk and avoids costly delays.

Reduced Customization

Allows banks to focus on innovation by minimizing the need for custom builds.

Market Differentiation

Delivers localized functionality that helps institutions gain a competitive edge in Pakistan's evolving financial ecosystem.

PKMB is built using Systems Limited's certified Temenos development expertise — and is already supporting mission-critical banking operations across the country. With pre-packaged compliance and a focus on local relevance, it's your fastest route to core modernization.

Systems Limited – Enabling a Digital Tomorrow

With over 40 years of experience and licensed rights for 12 Temenos Country Model Banks, **Systems Limited** has been at the forefront of digital transformation for Tier-1 banks in Pakistan and across the region. Our strategic partnership with Temenos, combined with deep market knowledge and expertise in Pakistani banking, positions us as the most trusted implementation partner in the country.

Systems Limited has earned widespread recognition for its leadership in digital transformation and banking innovation. We are proud to be honored as the **Microsoft Partner of the Year** for both Pakistan and the UAE, underlining our dominance in cloud and enterprise technology. Our expertise in core banking transformations led us to win the prestigious **IBSI Award for Best Core Implementation**.

Recently, **Everest Group** recognized Systems Limited in its **BFSI PEAK Matrix® Assessment**, solidifying our position as one of the top-tier providers of IT services for banks and financial institutions in Pakistan.

Our continued growth and influence have also been acknowledged through **five consecutive appearances on Forbes Asia's "Best Under A Billion" list**, demonstrating our impactful presence in the financial sector both domestically and internationally.

Let's Build the Future of Banking in Pakistan – Together
